Conferences

Presentations

"Undulator radiation from laser accelerated electrons"
11.7.2008, SAIP Conference Polokwane, South Africa

"Paarproduktion durch Kollision zweier lasererzeugter Elektronenstrahlen"
15.3.2006, DPG-Tagung Frankfurt, Germany

Posters

"Pulse Dynamics in Bright Ultrafast Electron Diffraction Guns"
8.-11.7.2008 SAIP Conference Polokwane, South Africa

"Ultrafast Electron Diffraction"
8.-11.7.2008 SAIP Conference Polokwane, South Africa

"Undulator radiation from laser produced electron beams"
*12.-14.2.2007, WE-Heraeus-Seminar: [Laser-Particle-Acceleration](#), Bad Honnef,
Germany and
20.3.2007, DPG-Tagung Düsseldorf, Germany*

"Pair-creation from counter-propagating laser-accelerated electron bunches"
*12.-14.2.2007, WE-Heraeus-Seminar: [Laser-Particle-Acceleration](#), Bad Honnef,
Germany and
20.3.2007, DPG-Tagung, Düsseldorf, Germany*
