

Curriculum Vitae

Personal Details

Name Kerstin Haupt
Address Stellenbosch,
South Africa

Telephone (work): +27 21 808 2593
(mobile): +27 768885274

E-Mail haupt@sun.ac.za

Date of birth 1981-06-14

Work Experience

March 2004 Student assistant at Institute for Optics and Quantum Electronics, Friedrich-Schiller-University (FSU) Jena

May-July 2005 Teaching assistant at FSU Jena, Physics lab course

August 2006- August 2007 Member of scientific staff at Institute for Optics and Quantum Electronics, FSU Jena

September 2007- December 2007 Visiting student at Laser Research Institute, University of Stellenbosch, South Africa

since June 2008 PhD Student at Laser Research Institute, University of Stellenbosch, South Africa

Meetings and Seminars

March 2006	DPG spring meeting, Frankfurt (talk)
February 2007	Wilhelm and Else Heraeus Seminar: "Laser Particle Acceleration", Bad Honnef (poster)
March 2007	DPG spring meeting, Düsseldorf (poster)
July 2008	SAIP conference, Polokwane, South Africa (talk and poster)

Higher Education

2000-2006	Friedrich-Schiller-University (FSU) Jena Subject: physics
September 2002	Vordiplom (intermediate examination) in physics
June 2006	Diplom (equivalent to a Master degree) in physics Thesis topic: "Ein Experiment zur Paarerzeugung durch Kollision laserbeschleunigter Elektronen" ("An experiment for pair creation from the collision of laseraccelerated electrons")

School

Primary schools	1987-1988 Grundschule Staffort 1988-1991 Grundschule Bückeberg
Secondary schools	1991-1993 Orientierungsstufe Bückeberg 1993-1997 Realschule Bückeberg 1997-2000 Gymnasium Bückeberg
Qualification	2000-06-27 Abitur (A-levels)

Stellenbosch, 2008-11-20
